

Ikion Eco Alonissos

Descriere Ikion Eco Alonissos 3*

Welcome to Ikion Eco Boutique Hotel in Alonissos Island. Ikion Eco is a green hotel built on the most eco friendly island of Greece, Alonissos. Fully renovated in 2011 adopting the strict guidelines of a green hotel in order to ensure a safe, non toxic and energy effective environment for its guests. The hotel is a member of the Green Hotels and according to the London Times in 2014 and 2015 it was one of the 20 best boutique hotels in Greece. Breakfast at Ikion Eco is a real ritual. Guests can select from our extensive menu what they want the night before, deciding on the time they want it served so that they get it hot and fresh. Guests can also choose to enjoy their breakfast in the small courtyard under the big lemon tree or in the beautiful garden to the rustling of the apricot tree leaves and the sound of the waves hitting the rocks. Of course they can also have breakfast in the balcony of their room. In this way, guests have the chance to try new flavors every day, enjoy the impeccable service and look forward to their next breakfast. Our breakfast is prepared with passion and care, paying attention to every little detail !!
