

Villa Franz

Descriere Villa Franz 3*

The hotel features an indoor pool with hot tub this in order to maximize the welfare of the thermal waters that the whole island of Ischia lavishes tourists. The sun and the dry sauna complete or anticipate a moment of relaxation after a day at the beach or a trip to explore the immense beauty of the island. Wi Fi in every rooms public areas such as bar dining room and terrace as well as an internet point in the bar always gratuio for our customers. The Hotel Villa Franz is located in the picturesque St. Angelo a small fishing village located on the southern coast of the island in a corner enriched by the splendid colors of the Mediterranean vegetation. Its position can be defined as exclusive not only for the beautiful landscape that offers a view of the sea and the quaint little island of St. Angelo but especially for the fresh air due to lack of space. S. Angelo in fact is the only place on the island where it is prohibited the circulation of cars and mopeds move or walk or electric taxis.
